

SPECIFICATION SHEET

Product Group: **Retractable**

PRODUCT NAME: UMBRELLA BAG FRAME

Product Code: BLRETUMBBAGFR

- ⇒ Providing plastic bags for your customer's wet umbrellas helps to keep floors dry reducing the risk of slips and falls
- ⇒ The Umbrella Bag Frame turns a queue barrier into a plastic bag dispenser. The frame simply slips onto the top of the barrier, fits firmly and is easily removable
- ⇒ The Umbrella Bag Frame can also take a Foamex sign with 'HELP KEEP OUR FLOORS DRY' wording
- ⇒ The heavy duty 280mm x 360mm frame can be used for signs advising customers to take a bag
- ⇒ Please note the Umbrella Bag Frame does not come with bags, so these will need to be added to your order. Please [click here](#) to order the umbrella bags
