

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: ARECA STACKABLE CHAIR

Product Code: **BLARECASTACHA**

- The Areca Stackable Chair is meticulously designed from robust polyethylene rattan, ensuring its suitability for both indoor and outdoor settings.
- It comes in Natural or Black seat variants to cater to diverse preferences.
- Infused with a bohemian flair, this chair introduces an ambiance of serene opulence to any setting, showcasing its intricately woven rattan design and sleek black metal frame.
- Crafted to withstand the elements, it boasts rust-resistant qualities and exceptional durability stemming from the galvanised metal frame, premium PE rattan material, and protective feet.
- These features render the Areca Chair ideal for enduring outdoor conditions, be it on a patio or alongside a pool.
- For a cohesive and sumptuous aesthetic, consider pairing this chair with other pieces from the exclusive Areca collection.
- Noteworthy flexibility is inherent to the Areca Chair, as it is stackable up to 10 units independently.
