

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: ATLAS STACKABLE BAR STOOL

Product Code: **BLATLESSTABARST**

- Introducing the Atlas Stackable Bar Stool, designed to give a contemporary and on-trend look to your outdoor space.
- Ideal for hotels, bars, or cafes, this stool features a powder-coated aluminium frame that is lightweight yet durable enough to withstand the elements.
- Crafted with a beautifully designed seat and ergonomically contoured backrest made from hardwearing polypropylene rope, the stool offers unparalleled support and comfort.
- Available in Natural and Dark Grey colourways, the Atlas Bar Stool is suitable for various settings such as a patio, conservatory, or a relaxed indoor dining area.
- Tested for safety, strength, and durability in commercial environments, this stool makes a stylish statement and is built to last through changing seasons.
- To save space, you can stack up to four stools high for efficient storage. Complete the Atlas collection by pairing the Atlas Stackable Bar Stool with the Atlas Stacking Armchair to bring a touch of laid-back luxury to your establishment.
