- Introducing the Cliff Stackable Armchair – a versatile seating solution perfect for both indoor and outdoor use.
- This modern armchair combines a lightweight design with a touch of traditional style, making it a stylish addition to any space.
- The key features of the Cliff armchair include a popular woven design synthetic backrest that not only adds to its visual appeal but also provides enhanced comfort.
- The dark grey aluminium frame ensures durability as it is resistant to rust, while the water repellent cushion makes it suitable for outdoor use in any weather condition.
- Available in two stunning colour options, the natural weave variant comes with a dark grey cushion, while the dark grey weave option features a coordinating light grey cushion.
- For added convenience, this armchair is stackable once the cushions are removed, allowing for easy storage and space-saving solutions.
- With its timeless design, durable materials, and versatile use, this armchair is a must-have for anyone looking for a flexible and stylish seating option.
