

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: FURNESS STACKABLE ARMCHAIR

Product Code: **BLFURNESSSTAARM**

- The Furness Stackable Armchair is a high-quality outdoor seating option constructed from durable aluminium material and coated with a protective powder coating.
- This coating ensures that the armchairs are resistant to rust and easy to maintain, enhancing their suitability for outdoor use.
- Designed for both function and convenience, these stackable armchairs are lightweight and effortless to move around, allowing for versatile and adaptable seating configurations in any outdoor setting.
- For an elevated level of comfort, consider pairing these armchairs with showerproof cushions, further enhancing your outdoor relaxation experience.
- Choose between the sophisticated colour options of light blue or white to complement your outdoor decor effortlessly.
