

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: SPIRE STACKABLE BAR STOOL

Product Code: **BLSPIRESTABARST**

- The Spire Stackable Bar Stool is a reliable seating option designed for industrial use.
- Constructed from electro galvanised rust-resistant steel, this chair is perfect for mixing and matching with various tables.
- It's extra thick steel plate ensures durability, making it ideal for busy hospitality settings.
- The electro galvanising process, done before the powder coating, provides additional protection against rust, even if the coating gets scratched.
- This versatile chair is suitable for outdoor settings such as pubs, hotels, holiday parks, golf clubs, and tourist attractions, as well as indoor use.
