

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: SPIRE STACKABLE CHAIR

Product Code: **BLSPIRESTACHA**

- The Spire Stackable Chair showcases exceptional durability with its construction using industrial electro-galvanised rust-resistant steel, ideal for versatile pairing with different tables.
- It's extra thick steel plate enhances longevity, catering specifically to bustling hospitality environments.
- Thanks to the electro-galvanising process followed by powder coating, rust prevention is prioritised, even in scenarios where the powder coating may be scratched. For a personalised touch, consider complementing the chair with the Epping Table to set up a charming 4-seater dining ensemble.
- This chair proves to be adaptable for outdoor hospitality settings such as Pubs, Hotels, Holiday Parks, Golf Clubs, and Tourist Attractions, while also suitable for indoor utilisation.
